

MINECRAFT MANIA

MANIA LIVE!

These live, interactive programs can include up to 30 participants and are hosted by our staff!

Programs can occur IN-PERSON or VIRTUALLY via Zoom
Both new and advanced students will be challenged with skill-based activities!

Activities and themes can be customized to your library's needs
10 accounts available to those that don't have one!

Students have the opportunity to play Minecraft with their friends in a multiplayer setting by tackling challenges, building magnificent creations, competing in races, and even learning how to code!
